Dear Sir:

I have been reading in the newspapers about the great Maimonides celebration taking place in Spain.

I am very anxious to obtain for our Library the official publications in connection with this historic event, like programs, etc.

I have applied to the Spanish Embassy in Washington and they referred me to you. I should be very much obliged if you would be good enough to ^{help us to} procure for us this material. Thanking you in advance, I am

Faithfully yours,
Alexander Marx
